Hey Jack, I'm reading the Kama Sutra. My mother gave me a copy and it's all about different positions for having sex.

Hey Joanne, that's really cool. I saw a copy of it when I was in college. They have some pretty cool names for them, huh?

They sure do – like "the congress of the cow" and "the Indian headstand."

Yes, those are cool, but my favorite is "the crawling monkey."

JOANNE & JACK

Jack, I've never heard of "the crawling monkey" and it's not in the book.

Then I guess I'll have to show you how to do it. Are you game?

Hey Jack, is this how it's suppose to go, by sucking your cock? This just seems like the typical blow job I always give you.

That's right Joanne, this is the correct way to do it. If you just suck it for a bit, I'm sure the monkey will show up.

Are you going to lick my pussy after I finish blowing you?

That's right Joanne, your pussy is just the foundation of path to "the crawling monkey."

Do I have to take off all my clothes to meet the monkey? Can I leave my panties on?

No, they have to come off. Panties act like monkey repellent and that is not what this monkey wants to see. He's a very horny and crawling monkey.

Oh Jack, you're making this monkey stuff up. There's nothing like any of that in the book.

SONY

Jack, we've been fucking for more than two hours and tried almost all of the Kama Sutra positions, but there's been no "crawling monkey." I think you've been leadin g me on.

Joanne, the path to "the crawling monkey" is a long one. Why, in college when i first learned it, it took five hours for it to happen. And when it did, it was pure Nirvana.

Okay Jack, I'll believe you but let me get on top for a while. I really liked the "crouching dragon / standing tiger" position we just did.

Yeah, that was nice, but following it with the "lazy, lying bitch" was a bit of a downer. Don't ya think?

Well, if you hadn't tried to to the "big dick in butthoole" move I wouldn't have done the "lazy, lying bitch" now would I.

Okay Joanne, take this cock in your mouth so we can enjoy some quiet.

Jack, when is “the crawling monkey” going to happen. My pussy’s getting stretched and sore,

Not to worry Joanne; the monkey will show up shortly. He has long way to crawl.

Say Jack, I have figured out how a lot of the positions we did got their names, but I’ve been trying to visualize “the crawling monkey.” Can you give me an idea of what it’s suppposed to look like?

I really shouldn’t until it get’s here. When it cums, you’ll realize what it was.

I think Jack is pulling my leg. If any of you guys know what “the crawling monkey” sex position is, call me and tell me :)

Well since I travel a lot, I find myself on airplanes at least once a month. One time, flying from New York to Chicago I was sitting in the back of the plane with my boyfriend at the time. It was a night flight and we started fooling around under the blanket. I jerked him off as he pretended to sleep. However, I think the stewardess knew what we were doing. Then there was a time, with another boyfriend who was a bartender, that I blew him as I was kneeling under the bar while he served guests. That was hot.

You sound adventurous. Have you tried girls?

Yes. I like girls. Some of the best sex I've had has been with girls. They know how to please other girls. Besides, I like to lick pussy – tastes sweet!

Some girls say they can tell within the first two minutes of meeting a guy if they will have sex with him. Can you tell that of a girl you meet?

No, girls are harder to read. You don't know if they are attracted to girls so you have to play it straight. But if I can tell she likes me, then it's pretty easy to get them.

So you like casual sex?

Sure, but I'm very careful about who I will share my body and feelings with. I have to feel comfortable with them. Some guys can come off as really weird even if they aren't when they try to impress or talk to you.

You’re such a stunner. What does it take to get into your pants?

Well, no one has ever put it quite that way, but it just takes the right words. I’m very picky because I know a lot of guys would like to be with me. I’m in a glamor business and most think that sex goes right along with it, but it doesn’t. I like to be wined and dined. Nothing fancy is needed, but a good conversation is the first step into the bedroom.

You know we have to ask you what you fantasize about. Will you tell us?

Sure, My favorite fantasy is to be snorkeling in the nude with a guy right above me with his huge cock inside me. We’d swim in sync in beautiful waters looking at the undersea life. Now that would be really exciting. Okay, now it’s your turn... What’s your fantasy?

That’s easy -- YOU!

Anna Belle

Hailing from Hotlanta, Anna Belle shakes her booty at clubs every weekend. That's because her job is as a go-go dancer. Anna Belle says her best asset is her booty and so far it has helped pay her bills.

I'm a really sexy dancer at the club. We work for tips and I'm always getting the most. One night I got a C-note dropped into my cage, but I realized that the black pantyhose I was wearing had split and my cootchie was showing.

Some of the girls thought I did it on purpose to get bigger tips but I didn't. It just happened because I really get physical inside my dance cage. Really.

I love booty calls. I like to be the one to make them. When I get out of the club around 4am, I'm usually pretty stoked and full of energy and like to have sex to release it. When I'm really horny, I call Derek (you know who you are) and he comes right over. We've been fuck-buddies since college. No strings attached, just good, clean quick sex.

Derek says he doesn't need to cum, but I do. So I make him eat my pussy and fuck me until I cum. Sometimes it's ten minutes and sometimes he has to work at it until the sun comes up.

I've never let Derek into my tight ass. I'm saving that for marriage since everything else sexually has been given to my lovers. But I can't wait too long.

Some words for Mistress Oralee

To all my fans, I hope you'll keep writing so I can read your sexy letters. I love you guys – Mistress Oralee.

Hello Mistress Oralee,

Just wanted to drop you a line – from one mistress to another. I'm an Asian-American dominatrix working in Las Vegas. I have been doing it for more than eight years, and, frankly, I love it. I don't know if you are a dominatrix too or just use the title, but no matter...

I just want to tell you a little story about one of my clients, and perhaps you can help me with him. I have never been confronted with such a situation before and do not know how to handle it. Normally I would keep my business and personal lives separated, but now I am confused.

As you may be aware, there are many men who come through Las Vegas on conventions and vacations. I have one gentleman from Detroit that visits me regularly. He is an avid gambler and comes into town every month without fail – gambles a bit and visits me, usually on the weekend. This has been going on for a couple years now, and I think I am starting to fall for him.

He is the first client I have had any sort of feelings for. I do have an occasional boyfriend, but nothing serious at this time. My client, call him Jim, is pretty normal when it comes to the fetish stuff. He likes a little bondage, a little whipping with the cat-o-nines. He is in great shape and seems to be a gentle man. He'll pay a extra for a happy ending, but does not ask for it very often. He says he is not married, over 50 years old, has a couple grown kids, and is a retired auto exec. This is more than I know, or want to know, about my other clients.

One night, he came to see me and asked if we could just talk and I agreed. Jim told me about losing his pension and over half of his 401k. He said he still had plenty on money, but the gambling would have to stop as would his trips to Las Vegas. He was sad and humbled and it touched me. He was always so much fun and a willing slave. Now the economy has saddened him, and me for him. I went home that night and thought about him. He stayed on my mind for a few days and wondered if I was starting to like him or it was just our little talk that got to me. I decided I liked him and want to get to know him more outside of our current meetings.

It's been two months that I have not heard from him and I'm wondering if he is okay. He gave no indication he would not come back to town. I have his email address but have not contacted him. I'm so confused, I need to hear from an impartial source. Have you been in a scene like this? Tell me, please!

– Mistress Lee, NV

Dear Mistress Lee,

You are in a true predicament. I have not been in a scene like this. I have liked some of my clients and even befriended a couple after I stopped mistressing. But to get that seriously involved with one – no!

To me, it seems that any man who visits a dominatrix, especially for any long period of time, has real issues. There are the experimenters and wannabes who come and go, but the long term clients come with a lot of baggage.

You did not say in your letter if you think he has any feelings for you, other than the feel of your whip. One evening of talking is not enough of an indicator. And not contacting you – even for his normal session – might just mean he has moved on. In today's economy, money is not that easy to come by and older people are becoming very guarded about how they spend it. The good old days are over for a while.

My best advice, dear lady, is to email him and see if you get a response. Just make it very light-hearted note and don't say anything about your feelings. Ask if he'll be coming out to Las Vegas again soon. If you get a response, read it carefully and don't put in any words that are not there. If you do not get a response in a proper amount of time, then assume he has moved on or was not the person you thought he was. Either way, it is probably best not to get deeply involved with the people who come to you for whippings. – O

To Mistress Oralee,

I won't mince any words. I think my husband, Bill, has an internet porn addiction. Correct that, he *does* have an internet porn addiction. We are both in our early fifties and recently got a computer for the house. My husband uses one for work at the car dealership, but we only recently, no thanks to our kid, got one at home. We had felt for years that we missing out on all the computer could be and Bobby gave us his after he graduated college. He came over one day and set it up in the study.

My husband showed me how to use it and how to surf the web. I have plenty to do so I don't use, or need it that often. But Bill will have dinner after work and go right into the study and turn it on. I see him browse at the news and some sports stuff and then turn in for bed after an hour or so. At first I did not think anything of it, but Bill started to get frisky at night instead of going to sleep, One time he even stared undressing me in my sleep. Normally we have sex once a month or so, but he's asking for sex at least once a week.

One night after saying no to him, I rolled over and pretended to go to sleep. After about fifteen minutes I felt him get up and leave the bedroom. I went out after a few minutes and discovered him in the study watching porn on the computer. Since we do not have any adult movies in the house, I assumed it was from the internet. I went back to bed and after about a half-hour I felt him climb back in. I did not sleep the rest of that night thinking about what I had just seen.

Over the next couple weeks, the same thing was happening. I would feel him leave the bed after he thought I was asleep and go to the study. Some of the nights I would go see him watching the videos and jerking off. I slumped back to bed not believing what was happening. The next evening over dinner, I confronted him about it. He was really embarrassed and really shocked that I knew. He stumbled over his words trying to explain. I sat there waiting for the right words to come out but none did. We did not finish dinner and sat on the sofa staring into space for an hour afterwards.

Bill then starts to talk to me about it. Head hung low, he said he liked looking at the sex. He missed it. Once a month was not enough (it is for me). And since I was not giving it to him, he would go to the study and jerk off. He said it did get him horny and wished I would give it more often. I told him I was tired from working at home all day. There was always so much to do. That night he decided to sleep on the sofa. It was the first time since we were married that we did not sleep in the same bed. I stayed up to write you this letter.

"I thought your column was just filler, but now I see that it has a value. Maybe not to everyone, but it did to me. So thank you. I took your advice to heart and now I'm back to fucking like a rabbit."

I'm sure we can figure it out in time, but we need some help right away. Is there any advice that will help?

– Mrs. Bill, TX

Dear Mrs. Bill, get off your high horse and give the man what he wants!!! It's not too much to spread your legs once a week for him. I know you would like it too. Seriously now, I see two problems. One is Bill's new sexual appetite and the other is surfing for porn. If you think about it, they can both be solved pretty easily it seems to me.

If I read between the lines, you are a housewife. Spending all day in the house or running household errands. Try to convince Bill (I'm sure it won't be difficult) to take you out to dinner once a week. That means no meal to prepare or dished to do. That means you have time to dress up and make yourself feel pretty. That means you'll have time for nice conversation in a different environment to rekindle those flames. That means when you get home you have the rest of the evening in front of you. That means you have time to fool around and have sex, damn it!

To blame this all on Bill or see it as his problem is not fair to him. Both of you have to make an effort to resolve this issue because it most probably will not go away by itself, and may end hurting your relationship beyond repair. Instead of seeing his jerking off as a disgusting act, see it as a cry for help. Give it a try. Who knows, you might like it, again. –O

Dear Mistress Oralee,

Last week I re-read one of your columns in a previous issue of 40+. You were trying to help out some poor slob with his problem getting an erection. Well, I kinda laughed at it and your answer, but then realized you were right. I had never had that problem before until a couple weeks ago when my lady friend and I were making out and it didn't get hard. I was shocked and she played it off as no big deal. But as you said in your answer, it is a big deal to men. And it was big deal to me.

I thought your column was just filler between girlie photos, but now I see that it has a value. Maybe not to everyone, but it did to me. So thank you. I took your advice to heart and now I'm back to fucking like a rabbit. I even think that my dick is bigger than before. I've enclosed a photo of it. What do you think?

– Barry, AL

Letters From Our Readers

Comments on the magazine, the sexy ladies, and our readers' thoughts on sex.

Dear 50+ magazine,

Although I'm in my early sixties and never been engaged or married, if given the opportunity, I would wear a suit or tuxedo, put my face inside Rhea Roma's sweet tasty perfumed crotch and eat her delicious pussy like there was no tomorrow. She could fill it with whipped cream and I would keep my face and tongue inside her, licking and eating every delicious bit of it and I wouldn't care if she drenched my face with her sweet tasting juices after I ate her pussy. If she wanted to give me more pie in the way of perfumed whipped cream pie in my face to show her pleasure for me eating her pussy, it would be fine with me because it would be an honor to pleasure to eat her pussy and if she wanted me to, lick her sweet tasty ass. She is absolutely beautiful and gorgeous.

Harold, OH

PS: With the current economic situation, I get 50+ magazine at various times of the year because I'm retired for almost 10 years living on a small monthly income with no pension or medicare help. In two months my social security income will increase a little which, besides my savings, checking account, I pay for my monthly medical, home, and car insurance, maintenance for the latter two items, property taxes food clothing, etc. I live entirely alone because of my financial situation. But it sure would be a an honor and my pleasure to give Rhea Roma wonderful and great oral sex when she wanted it on her birthday or Valentine's Day or any other time she wanted it, when I could give it to her. I am 5' 5" tall and my weight is between 195 and 205 pounds and I have brown eyes, brown hair and a butch-type haircut.

Dear editors,

Hi. Thanks for bringing back wonderful memories. It was only by accident that I came across an issue of 50+ (V#19 2009) and two 40+. Wow! Hot!!

I love the poses of all the women spreading their asses wide!!! Hot!!! Especially Katie! I'm 27. Except for larger breasts and little different hair style she looks just like Susan. An older woman I will never forget, she introduced me to anal sex and eagerly let me fuck her in the asshole when I was 18. (A friend of my mom's). Of course I wasn't a virgin, but I had, and still have a love of women's asses, and a fantasy of trying anal sex. The young girls I dated were not open to trying it. Well to keep it short we had my unforgettable hot passionate ass fucking sessions that were hotter, tighter, better and more wonderful than had ever imagined it to be.

Sexy Kelly, cover girl for 50+ #31 is one hot mama and ready to give it up to the best man. Be sure to check out the other hot honeys while you're there – and enjoy.

Susan moved away because of work and my mom said she had remarried. She's either never put it all together or hasn't said a word (thankfully). Needless to say, from then on I've been in relationships with much older women and found heaven on their tight back doors. Thanks again.

50+ magazine –

Dear Betty, you are one sexy MILF hotty from the 50+ magazine. You don't look 50, that's for sure. My name is Kevin. I'm 24 tears old and I love older sexy women like you. I hope to (hear) back from you sexy, anytime, and yes, I think a woman in her fifties would be happier if she had a younger lover like me with a big 7". You know what I like? It would make things hotter in bed. It would be orgy after orgy sex. Please write back. PS: Porn is the best. I would like to sleep with a hotty like you.

Kevin, CA

To the editor,

Darling Darquise. What a beautiful name but not as close as being as perfect as your beautiful bottom. Probably four or five years ago I immediately fell head over heels with your picture in the magazine. I actually cut two of them out, a copy of my favorite is enclosed. My dream, is being on my knees, asking you for permission to lick and love your bottom exactly the way you wish Also hopefully I will be able to spread your cheeks while you use one hand on your clit and the other in your pussy. Occasionally offering me the juices from your pussy hands. Obviously I'm rock hard as I write this. Really you are the only one that I actually cut their picture out of a magazine. I do not subscribe, but went onto the internet for a three-day trial and was hoping I would see you.

Do I have what it takes to pleasure you endlessly. Probably not, but we would do whatever it takes to give you that pleasure. The scenario about me: 67 years old, semi-retired investment baker, consultant-type, educated but not too educated, golf, live on the same lake as Bill Gates, but not in the same league, play bridge, gin rummy, like reading mystery-type books, some non-fiction, volunteer one morning a week at the local library. When in Palm Springs for the winter, worked part-time at Tiffany's to keep busy. Love sexxy, sexxy women, who love to pose, love to be worshipped. I am probably submissive but can be dominant, fantasized about sucking a cock but need female with me to coax me along. No drugs, weed okay, in fact enjoy it. I drink scotch in the winter, Vodka in the summer. As I recall, you live in Mesa Arizona. I played golf there about ten years ago in a tournament. No, I'm not a great golfer, probably about a 15 handicap, but my main goal is to become the best pussy licker, bottom kisser, and whatever else necessary to please my sexxy, sexxy lady. Yes, we can have your young stud if required but I get to wait on you, he can fuck you but I get to be the one to worship, to tend to give you pedicures, yes I do like worshipping God's greatest gift on planet earth, the female. Which reminds me, I love jokes. Recently went to Steve Lawrence and Edie Gourmet show and Steve has some great jokes

KELLY SHOWS ALL IN HER SIZZLING PICTORIAL. "I WAS REALLY EXCITED TO POSE. IT MADE ME FEEL REALLY SEXY AND I LOVED IT BEING NAKED."

More comments on the magazine, the sexy ladies, and thoughts on sex.

and is great at telling them.

Moving along, really, when I first saw your picture I masturbated twice. Everything about you, even the wrinkles, but I could see the glimmer and the smile in your eyes, mouth and those beautiful poses, my favorite, a copy I enclosed, I hope you like your bottom adored.

The scenario which is a true one. I was acting as a consultant, an agent on a financial transaction with two gentlemen from Vancouver, BC. They were buying a hotel. I represented them on several matters. In the hotel, one day there was an older 50ish woman, who they could tell I was attracted to. I was probably 45 - 50 at the time, married with two kids, still am, anyway, they noticed my attraction, two weeks later they said they had a tip for my services, etc. I go to the room number. I got to the room and who was there in a provocative, not overly revealing outfit, but I knew I was doomed. Long story short, she was married four children and a swinger which at the time I was not aware.

She definitely controlled the situation, without prompting but anxious she was not ready and let me know it, nicely but firmly. I poured her a glass of champagne, she wanted to know if I minded if she smoked some pot. No go ahead. How bout you, okay, I'm very, very hard by now, no I'm not ready, can I at least massage your feet, okay? I loved it, small pedicured feet, and yes, I had never kissed a woman's feet before, but before long, I was sucking her toes, etc., and loved every minute of it.

We became very good friends. I met her husband. She wanted me to suck his cock and I chickened out, and I still regret it. They moved to Florida. But I feel she mentored me on being an obedient attentive loving lover. No I am not a stud. If that is what you want, of course you can have one. I will greet him at the door, offer him a drink, etc., etc., etc., but only I can worship you, he can fuck you hard, maybe I can take pictures, but no, he cannot kiss your bottom, toes, wear your lingerie, drink your juices. No that is saved for your worshipper.

LOVELY RITA SPREADS WIDE TO SHOW HER BEST ASSETS.

Yes, of course, you can suck his cock and teach me how to suck a cock so we can enjoy one together. Blessings and hope to hear from you, phone or whatever.

Sam in Seattle. Yes I'm going to masturbate, fantasize about being your worshipper, maybe your maid, you can feminize me to be just like you. Would love to see you with another woman, in fact, of course you can have a girlfriend, but make it just one special one, the two of you can teach me how to worship a woman.

Again I hope to hear from you and if I don't hear from you, you are a beautiful lady with a wonderful spirit about you. I can see it in your eyes, your smile, but OH MY, I do love your bottom. Oh hope I would love to kiss it, lick it, and hickeys, etc. Yes you charge me up. Thank you.

Sam, WA

When I came upon them, she immediately stopped and ran away leaving the young man with his enlarged penis sticking out of his zipper. He tried to hide his erection but I went over and swatted it with the book before he had time to put it back into the safety of his blue jeans.

One month later I caught them at it again. I heard some noises from a corner of the library that was hardly ever used. I went over and at the end of the book stacks, saw them again.

I went down the aisle of another stack and pulled some books out of the way so that I could observe them and make notes for my report.

I observed as her tongue slid back and forth across his manhood. She sucked it with her mouth while he pushed her head deeper onto it.

As I was observing this violation of everything the library holds sacred, the young man spots me through the stacks. He does not flinch, but rather winks at me and beckons me to come forth. I do and startle the young lady who scurries away again. This time he holds his penis as if to offer it to me. I find myself touching it and kneeling in front of him. I begin to adore it and him.

I find myself sucking it feverishly, taking its entirety deep down my throat. Suddenly I feel the hot gush of his sex liquid and I swallow with vigor, careful to eliminate every last drop of evidence.

Do you want to know what I wrote in my report to the superintendent? Call me and we can discuss every lurid detail.

I'm always horny. My sex drive can be out of control sometimes. Love to fuck and suck. There was one day that I had sex six times, with three different people. I did it twice in the morning with my lover from the night before. Then had lunch with my girlfriend and

we went back to her apartment where we fucked with dildos until supper time. When I went home, a college boyfriend was in town so I met him for a nightcap. We talked for a while and went out and fucked in the car as I was about to go home. And then we went up to his nice hotel room and fucked until midnight. That makes six times. With three people. That was a fun day.

My favorite position with guys is on my knees – doggie style. I love the guy behind me banging hard. His cock can go in really deep and I can back into him so it goes in even deeper. When I'm with a lady, I like to wear a strap-on and fuck her. Then I like to switch roles and get fucked. Seems that no matter which sex I'm with, I like to have something pounding deep inside me. Just love it.

I told you I was always horny. I can get off just by talking to you on the phone. Do you think you can get me off, too? I'm ready for you. Call me.

EYE ON FI

Dear Editor of 40+ magazine:

While reading your last issue noticed all the hand and finger gestures by Fiona. Is she signaling someone? Are those secret signs that mean nasty things? The cover is the most obvious with her fingers split into a V. That is a lesbian sign for licking pussy, isn't it?

Well, she's got a pussy I'd lick all day. She's really hot and in great shape for her age. Keep up the great work with the great models and photography. Just wanted to let you know.

– Michael, Boise

Thanks Michael, but we don't think there secret messages in her poses. If there are she didn't tell us, that's why they're secret. If anyone else can pick up her crypto-signs, please let us know. – Ed.

MEMBERSHIP HAS ITS PRIVILEGES

To the Editor,

I dropped by the local women's club to join and met this wonderful salesperson, Lacie, who explained all about membership and showed me around the facility. I signed up on the spot and went right in to work out and get a quick steam bath in before I left for my first day. Before I finished, Lacie came in for a steam, noticed I was there and gave me a hello. She said she had just gotten off work and usually took a steam before going home.

She came over and sat nearby and we continued to talk for quite a while. We were sitting there naked and I could see she was checking me out, and I have to admit I was checking her out too. She was a fine young thing compared to my 40-plus years, but we seemed to get along really nicely. She complimented me on my figure and especially my breasts. She asked if they were real, and I said that they had been enhanced a few years ago after my third kid. She asked if she could touch them because she had never touched implanted boobies. I giggled like a schoolgirl and agreed. She reached over and cupped one and gave a gentle squeeze. Then she reached out with her other hand and cupped each one with a firm squeeze. A she pulled her hands away she brushed my nipples, on purpose, I think. I go back to making small talk with her and suddenly she asks if she can kiss them. I say absolutely not and grab my towel and head out. I looked for the manager to complain, but learned it was Lacie.

+ EROTIC FANTASIES DREAMS BECOMING REALITY

Fiona flexes secret symbol. Any takers?

I went back to the steam room to confront her about her last action. I opened the door and saw her and another girl kissing with their hand down between each other's legs. I was appalled but went in to give her a piece of my mind. The two noticed me and without missing a beat, Lacie says she is sorry for making me uncomfortable and asks why I came back. I told her I was going to give her a piece of my mind, but then she stands up and I realize this gorgeous woman is totally naked in front of me and looking like a Greek goddess.

I don't remember the next words out of my mouth but now both women are standing on either side of me undoing my clothes and stripping me bare. Then each mouth finds one of my nipples and hands are now in my crotch and caressing me ass. I am melting from the heat. The temperature in there must have risen another ten degrees after this all started.

The two guide me over to the benches and sat me down opening my legs as they do. I lean back and Lacie kneels in front of me and begins to lick me. The other woman is sucking on my nipples and I am so aroused I cannot stand it. I start to moan loudly as her tongue makes me shudder and cum. She then backs off, sits on the bench next to me and invited the other lady to start licking her. I gather myself to watch as they enjoy each other's pussies and they cum quietly and fully as sweat envelopes them.

After a few minutes, I gather my clothes and try to sneak to the door. Lacie asks me if everything is okay. I respond it is and exit the steam room naked and headed for the locker room to dress and go home. When I get home I think back in the afternoon and start getting wet down there. I take a cold shower and go to bed. Waking up in the morning I thought it was all a dream but on the kitchen table was the membership card. Later that day I found myself grabbing a water bottle and my towel and headed for the gym. I thought to myself, why not, I paid for it.

MY SPANISH LESSON

Since you all have a mag about older women, I though I'd share a little story that you would appreciate. I took Spanish in high school some twenty years ago and hat a hot little tamale of a teacher. Her name was Miss Carmen and she was dark sweet and sultry. Her English was not that great but she got her points across. She gave me a "C" for the class and that, I thought, was very generous. I was window shopping at the mall in our part of town and noticed an older woman that looked like her.

Hot hard sex burns a lot of calories. Perhaps it should be the next fad diet?

I walked by her once, convinced myself it was her and circled back to asks her if she was Miss Carmen. She looked at me and said "Roberto is that you?" I said it was and we instantly started to talk about school and the class. After a few minutes, I asked if she would like to get some coffee and rehash some of my silliness in class. She laughed and said she had some time and would love to.

"Please call me Carmen now, Robert, we are out of class and I haven't been teaching in over ten years. She says. I found her surprisingly easy to talk to, until we must have been chatting for about ten minutes. "Sorry, I just remembered my parking ticket's going to run out in five minutes... Hey, would you like to come over for some drinks? I'd love to hear more about what you've been up to." Realizing I had nothing better to do, we ran to the garage, and once in the car continued our conversation. She pulled up in front of house and we were going in for drinks, I thought.

"What would you like to drink?" she said.

I replied that a beer would be fine, and couldn't help staring at her behind as she walked away into the kitchen. Her booty was nicely large but shapely. She returned with two beers and sat down right next to me. We talked for a while and she undid a couple buttons on her blouse making herself more comfortable. When I'd finished my drink I told I had to leave.

"Roberto," she said, her voice a little more demanding than before. "I'm not your teacher anymore." I knew right away what she was going to say and I didn't know what to do. She leaned forward and whispered: "Show me the man that you've become." Getting more turned on by the minute, my erection was getting harder inside my pants. After a few minutes, she came over to me and kissed her way down my chest sliding smoothly between my legs and unzipped my pants.

Pulling my cock out, she licked up the shaft, then circled the head and took me inside her mouth. She licked and sucked my cock like a woman who hadn't eaten for days. Loud slurping noises that were almost a distraction filled the room. She lifted my cock to get at my balls and began to nuzzle and suck on them. First one was engulfed with a swirling motion and then the other as her mouth filled with my jewels.

I just stood there in the middle of the living room looking down as my old Spanish teacher was blowing me. What a mind-bender that was. Her mouth released my balls and went back to sucking my cock. She stood up after another minute and stepped behind me. She reached around and grabbed my throbbing cock and began to masturbate me. Her hands knew exactly how to do this, a lot like doing it myself, and she jerked her hand back and forth stroking me hard. All the time she was whispering Spanish in my ear. I recognized most of what she said but lost my concentration when I finally came and gushed it onto the hardwood floor. My knees buckled but I managed to compose myself and zip up. After an awkward moment she escorted me to her front door and offered to dive me back to the mall. I politely declined and left as I thanked her for the lesson.

– Robert(o), Houston

My girlfriend set up some male meat for me to sample and I can't wait to tell you about it.

I'm lying in my bathtub in my large bathroom with my girlfriend Shawna sitting on the commode talking with me. I'm composing this blog on my laptop as she tells me of some surprises in store. I'm sitting here in my bath, the hot water warms around my body making me feel relaxed and ready for what Shawna says is to come. She and I have been faithful lovers for a long time. She knows my secrets and I know hers. She knows that the only guys I have ever fucked were back in high school. I've been with girls ever since and have expressed to her at different times what it would be like to fuck a guy again.

She comes over to the tub and takes the computer from me. She is dressed in a cute purple T-shirt and cut off jeans that show off her long sexy legs. She lays the computer on the sink, picks up a dark hankie and asks me if I'm ready. I say I am and she comes over and ties it around my eyes so I cannot see. I have already cleaned myself and am now waiting. I think to myself how will this all work? Shawna gives me a soft but firm kiss on the lips and I hear her walk over to the bathroom door and open it. I hear some mumbled words between her and a man but cannot make them out. His soft footsteps walk over to me and I think he is barefoot. I sense Shawna go back to her previous seat and then feel hands on my hair.

My pussy begins to tingle and my nipples tighten as the hands now caress my face. They are obviously male, but the touch is soft and reassuring. He takes my hand that had been squeezing the bathtub rim and places it out on his cheek. It is smooth and chiseled. He pulls it down his neck and onto his chest. There is no shirt. My pulse quickens and I entertain thoughts of stopping this before it goes too far. But before I can even mutter a word, he places my hand on his erect cock and I give out a quiet moan. Oh my God, it's a real, and hard, penis in my hand. It feels much different than the rubber dicks and dildos Shawna and I use. This is alive and quite hard. It feels just right in my hand and I give it a little squeeze. That must have been good enough for the guy because he lets go of my hand and places his on my breasts. All of a sudden I got conflicting erotic signals, my hand on his cock, his hand on my breasts. He momentarily lets go of my boob and undoes the hankie. My eyes adjust quickly to this tall white Adonis standing totally naked in front of me – with my dark hand holding his cock. I am slightly embarrassed but his smile reassures me.

I look over at Shawna and she smiles too giving me a non-visual thumbs up to go for it. The naked man now sits on the side of the tub. I have never seen him before and probably will never see him again after this. My eyes wander down and fix on his cock. I study this hard cock in my hand and explore it with my fingers. I sense my pussy tingle again. His hand is in the water, swishing the suds and foam around. He cups one of my breasts again and I gasp. He can feel how hard my nipple is and squeezes it between his thumb and forefinger. I wrap my fingers around his hot shaft while he plays with my large tits I hear my Shawna's heavy breath and I'm reminded of my audience.

My lover now swings his legs over the edge of the tub and sits with both feet in the water. He gently pushes my head down and I know what he wants, and I want it too. I take the head of his cock into my warm mouth. Again I think of the feel of this live flesh in my mouth rather than the plastic love toys we women use on each other. I bite it gently to be sure it is real. It gives a little and he gives out a little moan. I look up at him with a devilish smile. He tastes good; a hit of male musk creeps into my nostrils and I lower my head further down his shaft. As I feel him down my throat, I sense his throbbing. How long it will take him to cum? I hope not too quick – I want to enjoy these sensations as long as possible.

My lover's moans echo around the bathroom as I deep throat him; taking him all the way down and then pulling slowly back and rolling my tongue over the engorged head. His grip on my breasts suddenly tightens. A deep moan escapes his lips and I know that time has come. I relax my throat muscles once again and allow his thick cock to slip from my mouth. It throbs and twitches for a few seconds and then spews it's wonderful liquid over my face.

...before I can even mutter a word, he places his hand over his erect cock and I give out a quiet moan. Oh my God, it's a real, and hard, penis in my hand...

Aphrro Dietie

Shawna watches as this big muscular man fucks me like I've never been fucked before.

It lands on my hair and cheek. My lover swings his legs back over the edge of the tub and stands up. He bends and kisses me lovingly on the lips, playfully squeezing my boob for the last time. He gives Shawna a quick look and leaves as silently as he had arrived.

Alone once again with my Shawna, I slip back down into the soapy water and splash the still-warm water over my cheek to clean off. I begin to say something to Shawna when suddenly I hear the door swing open and look up. Another tall man walks in and stands in front of me. He is as naked as the day is long and grins at me with an expectant look. He is not as tall as the first but darker and more muscular. I look down at his imposing cock and notice it is much larger than the previous one. I am slightly taken aback by it's size, but it is very stiff and it's one eye is looking right back at me.

I'm guessing that he must be at least nine inches long and as thick as my wrist. His body is well muscled and toned and his strength clearly evident as he reaches into the tub and lifts me out. He holds me for a moment in his arms looking at me up and down, studying my nakedness. I look over at Shawna. She stands up and comes over to us. She helps me out of his arms but then makes me kneel down on the plushy bath rug. She tells me to lean over and I rest my arms on the rim of the tub and lift up my butt.

He kneels behind me and my pussy moistens as I feel his huge penis nudge against my butt cheeks. I grasp the edge of the tub and feel a momentary sting of concern as I think that he might try to push his enormous cock into my ass. I need not to have worried though, because after a second, I feel the huge head of his penis at the entrance of my pussy. I feel his hands running over my back and sides, and then glimpse his large dark fingers as they reach around my swaying boobs. His cock is only inside me about three inches but it feels as though I'm already full. I try to relax and let my pussy open to accommodate him as he continues to penetrate further and further up inside me.

This man is not as gentle as the first, but I don't really care. I have become so wet and excited, what I really want – no, need – now is a good solid fuck. I reach between my legs and grab his balls. In between gasps I squeeze and pull on them coaxing his cock deeper into me. My lover fucks me hard and fast for a full ten minutes. My nipples feel stiff and a little sore as he mercilessly squeezes and pinches them. But it feels wonderful. Every time his huge cock sinks all the way into me, my throbbing clit is stimulated and I cum again and again. Finally he pulls my titties backwards to him and forces his cock in deeply. With a huge bucking lunge of his hips he pushes me hard against the tub and pulls himself out just in time to let loose his liquid ooze onto my back. He puts himself back inside me and pumps a few more times as if to say – there, bitch – take that.

I don't look back at him. I am completely exhausted and collapse face down on the bath rug. His cock is obviously still wet with our combined juices and he wipes the head between my butt cheeks before he silently leaves.

I stay face down on the floor for several minutes, trying to get my breath back. Then I feel another presence kneeling behind me. I glance around and see Shawna on her knees about to put her face between my cheeks. Strangely, I feel relieved that there is not another man, but my lover who is now about to enjoy me. I feel her spread my cheeks and she begins to lick my moist cunt. As she buries her nose into my pussy, I feel her tongue probing me as she is licking up the juices the man and I just whipped up.

Shawna licks up my butt crack, stopping momentarily at my asshole, and onto my back licking up his splooge. She thrusts her fingers into me as she laps up the creamy stuff. Her mouth finds its way back to my pussy and she licks me until I cum again. I turn over and sit on the rug. I grab her and pull her face into mine so I can taste her and his cum at the same time. She obliges my lust by smearing my lips with hers and I taste us both. It is an unfamiliar taste, but I like it. I get up and get back into my cooling bath and tell Shawna I must finish this blog. She brings me my laptop.
